LIVE YOUR DASH!

The Dash
By Linda Ellis

*I read of a man who stood to speak
 At the funeral of a friend
 He referred to the dates on her tombstone
 From the beginning to the end.*

*He noted that first came the date of her birth
 And spoke the following date with tears,
 But what he said mattered most of all
 Was **the dash** between those years.*

*For **the dash** represents all the time
 That she spent alive on earth.
 And now only those who loved her
 Know what little line is worth.*

*For it matters not how much we own;
 The cars, the house, the cash,
 What matters is how we live and love
 And how we spend **our dash**.*

Global Friendship heeded the call from the District Office for supplies for those affected by the still-raging wild fires; **Redlands Morning** receives plaque for its contributions to Steps4Life.

NEW MEMBERS FOR GREATER SAN BERNARDINO

Greater San Bernardino Club Secretary **Don Averill** has reported that The Kiwanis Club of San Bernardino has been fortunate in having a renewed interest in club membership. The new members approved by the Board are **Amber Castro**, a corporate member representing the Inland Valley Recovery Center; **Tanesha Green**, an attorney who is the daughter of member Danny Singleton; **Ken Paxton**, with the County of San Bernardino and working with the 5th District Homeless Policy Project; and **Elizabeth Silvius**, a senior data scientist who is the daughter of member Gary Silvius.

Don further reported that their club has several other member prospects, as the Silvius family may have another member joining us; Danny Singleton has four prospective members; **C.J. Cook** is proposing another corporate member from the Inland Regional Center.

Congratulations are in order for this club for bringing in new members!

Other news reported is the good news that the club's Aktion Club has been approved. Club member C.J. Cook worked with the Cal-Nev-Ha District to initiate an Aktion Club for members with exceptional needs. The club is now in place, which give the Greater San Bernardino Club leadership group to sponsor and will be a good addition to the club.

The first set of volunteers conducting reading at Lincoln Elementary went well with five club members Kiwanians participating. Another reading session is planned starting with the fall semester.

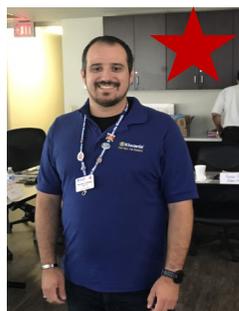

The club was fortunate to have six of their scholarship recipients that finished their first year in college attend a meeting and share their experience with us. The club will be awarding each of these students with another \$1,000 after criteria for them to receive the additional funds.

Thank you, **Don Averill**, for a complete report of your club's outstanding activities.

Email your pictures and articles to the Editor for publication by the Monday prior to the next DCM.

Have you see this form yet? If not, see your incoming president and secretary. They were asked to share the form with you so that you could start NOW selling ads for the 2018-19 Division 36 Directory. If you *still* can't get copies of the form, just email me at c.coley11@verizon.net and I'll make sure you get it.

It is important that all club members participate in selling ads. Also, all clubs are asked to purchase a minimum of a 1/4-page ad. Here's your club's opportunity to brag about your accomplishments and service projects.

Members can take out ads to support their business or a personal ad congratulating the incoming Lt. Governor, Michael Arteaga, and wishing his much success.

Here's a sneak peek of what's going to appear on the directory cover:

Finally, this will be the last directory that I prepare. It's time-consuming, but very rewarding when you finally get the finished product.
